Mik is a bridge-builder who works for creating honest, approachable and united leadership – for our future.

Use your vote carefully.
Stand up for what you care about!

CONNECTING OUR COMMUNITY

As an independent candidate, Mik will work to bridge the gap between left and right, and help shift the focus of our Council towards stability – the prerequisite for creating a healthy and safe environment for all.

To achieve this, Mik will focus his energy on bringing new jobs to Geelong and cultivating a community that is thriving and has a vibrant cultural life.

Vote 1 for Mik to help create a stable Greater Geelong with a long-term focus, where investment in innovative projects is encouraged and opportunities created.

With this election, you have an opportunity to help form a Council that represents our diverse community and will work together to achieve the vision for our future that over 16,000 Geelong residents contributed to.

Primary students almost all to school month. This year, that's less traffic on our roads, reduced congestion and data shows local.

In the October initiative "We've gone from 193 students participating in 2012, to a whopping 7475 this year. That's less traffic on our roads, reduced congestion and data shows local.

Geelong councillor Andy Richards said, "Nazareth Primary School principal Paul Cairns said there had been a great response from children and parents."

to school and all time to talk with parents and hear some of its best. Geelong schools, like Together Geelong, Rich and the City of Greater
